President's Message

2025-26 Season

Shaping tomorrow begins by celebrating where we've come from and embracing where we're going. In my first season as President, I've seen how tradition and innovation are working hand in hand to build a vibrant and inclusive future for bowls in Auckland.

As your proud President, three words stand out for me this season: Inspiration, Initiative, and Innovation. These qualities have been the heart of a highly successful year for our bowls community. Congratulations to everyone who played, volunteered, supported, and led—this season reflects the intent of Bowls Auckland's vision: A community for all, a game for life.

A special thank you to Kohimarama Bowling Club for hosting President's Day. It was a fantastic occasion, with the largest turnout in recent years – a celebration of unity and engagement across clubs.

One standout “off the green” initiative last season was the High Tea at the Molecheck Women's Open. This inspiring event brought players and supporters together in a new way. NZ Olympic double gold medallist Alicia Hoskin as keynote speaker delivered a powerful message on commitment and perseverance, mirroring the spirit we see every day in our clubs, from volunteers to players.

Across the region, clubs are embracing change – reimagining tradition, welcoming wider communities, and creating dynamic new experiences for bowlers of all levels. These efforts are shaping a contemporary and inclusive future for our sport.

President's Message

2025-26 Season

I've thoroughly enjoyed visiting and playing in club tournaments and Centre events. The camaraderie and competitive spirit across generations has been truly uplifting. Whether it's the casual afternoon roll-up or a top-level representative fixture, our sport proves time and again that excellence has no age limit.

To our club leadership teams, thank you for your governance and commitment to growth. To our many volunteers, your behind-the-scenes efforts often go unseen, but your impact is felt across every green.

I salute clubs embracing digital tools and technology to connect with members and communities—well done on leading the way forward.

Thank you to our Chair, Ian Dee, whose leadership is calm, wise, and values-led, and to my fellow board members for your ongoing contributions. I also acknowledge our CEO, Dean Bartlett, whose energy, innovation, and future-focused leadership, together with our dedicated team, is ensuring bowls in Auckland continues to thrive.

What a sport we have—where a 20-year-old and a 70-year-old can compete at the same level, as we saw with the winners of the recent Champ of Champs Mixed Pairs. What an opportunity we all share to shape the future of bowls.
